OBJECTIVE

Passionate and dedicated Front-End Developer with a strong foundation in HTML, CSS, and JavaScript and React with passion for API design, storage solutions, and component architecture. Seeking a challenging role where I can leverage my expertise to create efficient and scalable systems that seamlessly integrate APIs, optimize storage utilization, and enhance overall component interactions. Eager to contribute my creative and problem-solving skills to a dynamic team, while continuously learning and adapting to emerging industry trends. Seeking an opportunity to collaborate on exciting projects, refine my technical abilities, and deliver exceptional user experiences.

EDUCATION

Bachelor of Computer Science

Voorhees college

📅 September 2015 - April 2018

📍 Vellore

🎓 GPA: 6.8
